

# Make Your Own 100 Bugs! Book Trailer

Make your own *100 Bugs!* Book Trailer and move up the SAMR ladder. Watch the original trailer featuring Kate Narita and Charlie Mainini's students ([www.katenarita.com/books.html](http://www.katenarita.com/books.html)). Then, make your own using the script that follows. Mrs. Narita's students used Suzanne Kaufman's stunning color illustrations as a model for their own art. You can go that route or print out the illustrations attached for quick and easy signs to accompany the addition equations. Then, send Kate Narita the link to your trailer and she'll feature it on her blog. Fill out the contact form at [www.katenarita.com/contact](http://www.katenarita.com/contact).
