

I absolutely loved IMPOSTERS by Scott Westerfeld. At first I thought how could this girl raised to kill be a likable character, but as I started to read, I became more and more attached to Frey and her story. While reading this book, I could visualize the characters, and setting. I would recommend this book if you enjoy books that contain suspense, plot twists, and action.

- Aracely Iturbide

Frey that has been hidden from the world. She's been sent on a mission to be a hostage in a rival city to complete a deal. But this city was not expecting Frey, they were expecting her twin sister, Rafia. Rafia has been taught to be the perfect daughter. But the person they see on the stages, and performing the speeches is not Rafia. It's actually Frey. Frey has been kept a secret since she was born. Frey was taught to do anything to save her sister, pose as Rafia, fight for her, and even kill. And to her dad, Frey is of no importance. Which didn't make it difficult for him to send Frey to the rival city to complete a mission, a mission to conquer it. But along the way Frey learns how it feels to be free while her time at the rival city, Victoria. And she later runs into a some obstacles that she was not expecting.
